

# The Art Card License!

Choose the one you want. Print it, draw on it, show it to everyone!

This is your official license to draw- whatever.  
Whatever you want, however you want.  
(This does not include whenever or wherever,  
as teachers do not like drawings instead of  
spelling words. As for the wherever, it's okay  
to draw while you're in the car and in your room,  
just not on the car, or on the things in your room.)

Print either card, but you must say the pledge below.  
You must sign your card after you say the pledge.  
Have you ever seen some signatures?  
They look like scribble lines! Sign it however you want.

Sign your name on the line—big!

(For this version, simply print and cut out along the solid line.)

## Pledge:

I am an ART CARD EXPLORER—FIRST  
CLASS, CAPTAIN OF MY OWN CRAYONS, COLORED PENCILS  
and anything else that leaves a mark.

I am an art explorer, free to travel through the WHAT IF zone.

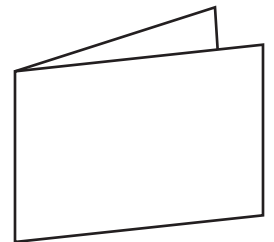

I will not create crumple critters.

I will help others learn the NE way.

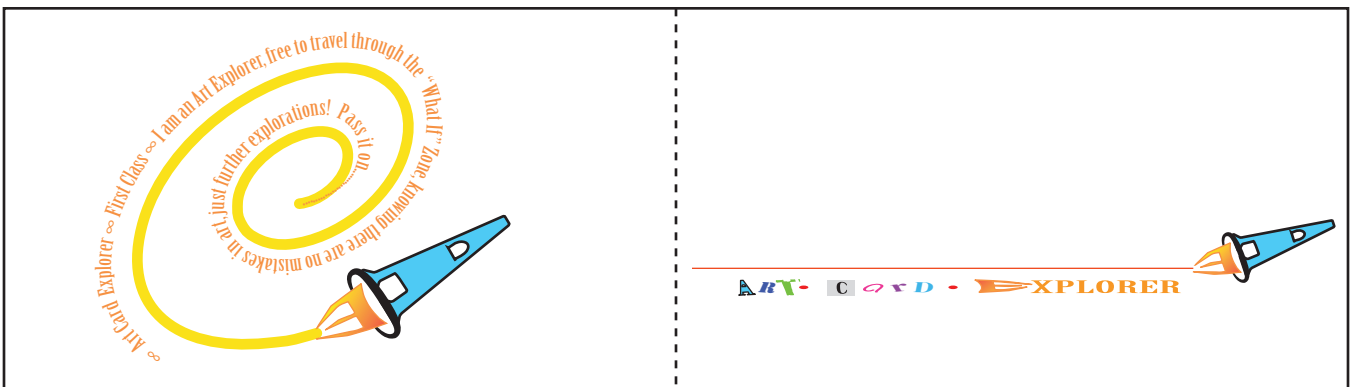

NE way I want, NE way they want. NE way is perfect.

Because I know, THERE ARE NO MISTAKES IN ART,  
ONLY EXPLORATIONS.

(For this version,  
simply print and cut out  
along the solid line.  
Draw a secret picture on  
the inside. Fold along the  
dotted line.

When you show your card, flash the inside picture!
